Tax Forms for 2016 Tax Filers Find the tax form you need below

Below are links to Federal, South Carolina, and other state individual tax forms. All locations of the Library have the basic individual Federal tax forms, while supplies last, but will not have the instructions. South Carolina does not provide forms and instructions to public libraries. The Library does not receive all tax forms for customer distribution.

Links to Federal and South Carolina business tax forms are below.

Any tax form we do not have available may be printed at the Library at the regular copy fee.

All Federal and South Carolina individual income and business tax forms are available online. Tax forms from other states are also available online as well.

Tax forms may be downloaded from the following sites: Federal - U.S. Internal Revenue Service Get Ready! Learn what you can do now that could affect your ability to file your Federal tax return and get your refund as quickly as possible.
