Meg Medina
NATIONAL LIBRARY WEEK
HONORARY CHAIR

National Library Week is an annual celebration of libraries of all types. This year's theme, "Ready, Set, Library!," promotes the idea that in our always-online world, libraries give us a green light to something truly special: a place to connect with others, learn new skills, and focus on what matters most. Help us celebrate:

- **Darlington:** earn a sweet treat by dropping by to tell us why you love the library!
- **Society Hill** will have a Spirit Week -- participants can stop in for a prize:
 - Monday, April 8: wear sun/moon attire
 - Tuesday, April 9: dress like a librarian
 - Wednesday, April 10: wear pink
 - Thursday, April 11: wacky socks
 - Friday, April 12: dress as a book character
 - Saturday, April 13: pet inspired

Pages to Projects (ages 6 & up)
