

COLOR OUR WORLD™

SUMMER READING 2025

What is Summer Reading? Don't let summer learning loss happen! Our Summer Reading program provides a fun and interactive solution for children and teens to retain and even improve their reading skills. Join us for special events all summer and earn prizes designed for every member of the family: children, teens, and adults.

Prizes! Prizes will be available for all ages at the end of the summer! Kids can track their reading minutes with a coloring tracker (available at your local library) and get entered in for prizes -- prizes will be available for ALL ages (children, teen, adult).

Early Registration Prize: those who register between May 10 and June 13 will be entered into a drawing for four season passes to Neptune Island Water Park.
